We Synergise For
YOUR LOGISTICS NEEDS

“ **Synergy** comes from The Greek word *sunergia*, Meaning “Cooperation” and also *sunergos*, meaning “Work together”. Synergy means arrangements which are mutually beneficial to the parties involved.

Our name reflects our business philosophy. We believe in synergistic partnership for mutual benefit. We synergise with you for mutual prosperity by providing you a superior brand of logistic services - **The Synergy Brand**.

OUR HISTORY

Synergy foundation and creating powerful logistics and transport network. Founded in February 2002, with a vision to provide our strong logistic services for all stakeholders, whether they are big or small.

Over the years, Synergy have gained the capability and experience to provide the best for our customers. We aim to provide our logistic solutions in the quickest and most cost-efficient manner possible.

Synergy Through Strategic Partnership

Through our partners at home and abroad, with agents all over the world, we can arrange your freight logistics to and from any places in the world. All of our agents are able to arrange from simplest to the most complicated shipment, with ease and efficiency... leaving you in control without the details to take you away from your business.

We offer a convenient and cost-effective package of services and we help clients acquire a greater competitive edge through lower costs and prompt deliveries with our total logistic package. Our knowledgeable and experienced operations team ensure prompt and safe handling of your goods to any destination in the world.
