

CrossTrade

Always the best way

What is Cross Trade?

An Argentinian International Freight Forwarder with more than **30 years experience**.

Established in 1995 in Buenos Aires, Cross Trade serves clients and agents in the successful planning and execution of **imports, exports and cross trade shipments** by air, ocean and road.

Cross Trade Currently Operates with +20 Countries.

Why Choose Cross Trade?

In an extremely competitive environment we look for a wide range of carrier alternatives and provide our business partners with *multiple reliable options* to secure **successful shipments** for their customers.

- ❑ We offer proactive and personalized tracking → This includes follow up at all stages since **timely communication** is our top priority.
- ❑ We ensure that all client requirements are met guaranteeing a seamless and excellent experience.

What Agents Say About Us

“We had an excellent experience with Cross Trade, Argentina who handled our shipment to Kansas with impressive professionalism and efficiency. Their team helped us manage export booking and documentation seamlessly and were invaluable to the smooth transit, arrival and delivery of the shipment.”

- **Edward Shreve | Director, Import Freight Operations**

“We appreciate Cross Trade's quick responses and follow ups. They have the right relationships with vendors and customers to make both import and exports move smoothly. They have proven to be an excellent partner for complicated and long term shipments.”

- **Jennifer Bunk | Pricing Manager**
